Marathi

## ACTIVITIES & ACHIEVEMENTS

- Awarded 'Top 10 Flexi Work Visionary of 2024' in India by GoFloater
- Project 'Trees & Toes' exhibited in NID Annual Design Show - 'Lines of Sight (2021)', published on NID-LOS website and journal
- Member, Organizing team, Architectural Entrepreneurship Development Program, Pune
- Volunteer, Design for Social Development, NID
- Certificate in Photography, MCED, Pune
- Certificate in German Language Level A1

## WORK EXPERIENCE

### SYSTEM DESIGNER II

**CHARGESEE TECHNOLOGIES | CHENNAI, INDIA | JUN 2021 – PRESENT**

- Spearheaded the research, design, and implementation of Chargebee's post-pandemic Adaptive Workplace Model (AWM), fostering a scalable, hybrid work environment.
- Contributed to organization-wide change initiatives by conducting mixed-method research, uncovering actionable insights, and developing experience measurement frameworks to evaluate project impact.
- Strategized and executed cultural initiatives that reinforced organizational values and strengthened employee alignment.
- Drove operational excellence and process rigor within the People Success function, collaborating on multiple high-impact cross-functional projects.

Focus areas: System, Service & Culture Design | Change Management | UX Research | Strategic Project Execution

### SERVICE DESIGNER

**COVERED BY SAGE (RENEGADE INSURANCE) | ATLANTA, USA (REMOTE) | SEPT 2020 – MAR 2021**

- Identified key pain points across user journeys (secondary and end-user) to improve overall service quality.
- Redesigned service touchpoints to elevate user experience and optimize interactions.
- Conducted internal process audits and redesigns, enhancing operational workflows.
- Operated in cross-functional roles within a high-velocity start-up environment, contributing to agile innovation.

Focus areas: Service Design | UX Research | Experience Design | Visual Design

### DESIGN RESEARCHER

**NATIONAL INSTITUTE OF DESIGN | AHMEDABAD, INDIA | MAR 2019 – JAN 2020**

- Designed methodology for research.
- Developed custom research tools, synthesized findings, and translated data into meaningful insights.
- Authored research paper, contributing to academic discourse.

Focus areas: Design Research | Insight Synthesis | Data Visualization | Academic Writing

### ARCHITECTURAL INTERN

**TULIO DE SOUSA – ARCHITECTURAL FIRM | GOA, INDIA | JUN 2016 – SEPT 2016**

- Worked on architectural and landscape design for Goa Housing Board residential project and other commercial projects.
- Conducted site surveys, created working drawings, and supported structural analysis.
- Assisted in project management and coordination between design and execution teams.

Focus areas: Architectural Design | Site Planning | Technical Drawings | Project Coordination

## PROJECTS

### EXPERIENCE & AWARENESS DESIGN

**COMMISSIONER OF POLICE, AHMEDABAD | FEB 2019 – APR 2019**

Led a behavioral design project focused on improving traffic awareness and commuter experience at Panjrapole Junction, Ahmedabad. Proposed strategic, user-centered interventions for both commuters and traffic managers to promote rule adherence and smoother traffic flow.

Focus areas: Design Research | Behavioral Strategy | User Experience

### DESIGN AUDIT & BRAND STRATEGY

**GOVERNMENT OF UTTARAKHAND – BRAND HILANS | SEPT 2019 – NOV 2019**

Conducted a comprehensive design audit of HILANS, a government-backed rural enterprise brand in Almora. Identified key challenges in brand visibility and supply chain logistics, and recommended design-led brand and business model interventions suited to the local hilly terrain.

Focus areas: Ethnographic Research | Supply Chain Strategy | Brand Strategy | Business Model Innovation

### SERVICE DESIGN – LIVE PROJECT

**TREES AND TOES | JAN 2020 – MAR 2020**

End-to-end design and launch of a service-based initiative. Defined service blueprint, led research, branding, and marketing strategy, and managed real-time operational iterations to ensure cohesive front-end and back-end experiences.

Focus areas: Service Design | Branding | Marketing Strategy | UX | Journey Mapping | Logistics
